

Application materials include your completed electronic application, as found at www.hcchinese.org, and a cover letter explaining why you are interested in working at HCC. You may also send a resume, but not in lieu of completing the application.

Please include in your cover letter a list of your known spiritual gifts, based on Romans 12:6-8 and I Cor. 12:4-10. If you do not know your spiritual gifts, there is a free test you can take at <http://www.hosannalc.org/docs/serve/spiritualgifts/spiritualgifts.asp>

It should take less than an hour to complete. Rate each question with a 1, 2, 3, 4, or 5 from your personal experience. Your first response is generally the most accurate, so don't second guess yourself. There is a field at the bottom of the form for you to enter your email address. You should receive the results fairly quickly to your email account. It will be a list of all known spiritual gifts and a number with ea. I will interpret your results based on your raw scores. Generally scores over 32 rank as your area/s of giftedness but results vary. Please forward the entire results email to my email address, taking care to put your name in the subject line, for example: "Jane Doe's Spiritual Gifts."

Please send application materials to Janee@hcchinese.org. We will send a confirmation reply that your materials were received and are being considered. NO PHONE CALLS, PLEASE. Requesting additional information by phone or email will only slow the process.
