**Cook America food with Janis!**

**\$4/class, material and lunch included.**

学做美国饭 \$4美金/课, 包括材料和午饭

每周三早上10:30

Words from HCC America Cooking Class coach:

“My name is Janis College but I did not go to College. I like to teach but I am not a licensed teacher. I am married to Eldon. We have three children. They are all married. I have five grandchildren. When I was 15 years old it became my job in the family to make the evening meal. There were 10 of us around the dinner table each night. I am retired and enjoy the volunteer work at China Place. We have a good time in Cooking Class. We will make some of the basic recipes that American people love. You will learn basic skills for reading recipes. You will learn how to use the oven. After cooking class we will enjoy a bowl of soup together and good conversation. And I promise there will be no examinations.”
